ATTN: Dear Mr. Dulles: -

I have been thinking of your outstanding organization for some time, and its all out effort to stamp out "Communism" and all that goes with it; and after careful deliberation decided I would like to be considered a co-laborer in your work.

At present I am employed as a "male nurse" at the Riverview Nursing Home, 925 N. Fourth St, Steubenville, Ohio, I also room and board there, and every evening I play organ & piano at Revival Center in the old Olympic Theater Bldg in Steubenville, Ohio, under Rev. Hart.

I am a college graduate (Th.B. - Mus.B.) and studied art; also had training in the work I am presently employed in.

Steubenville is a mill town (Wheeling Steel - Fallasch Steel - Weirton Steel) in fact this area is a prime target of the Communists should they ever attack, furthermore this is a "Hot-Bed" of Communist Party workers, (as you probably are aware) and we of the ministerial profession want to help stamp it out.

Only a block from our Church, they have blatantly put up their "Commie" newstand and sell or give away their newspapers.

There must be a "Commie" center here somewhere. I was in contact with an out and out party worker several years ago who was "head Electrician in all the mills here; he even started mailing me the "Daily Worker" or some sort of magazine; it was also mailed to many other people, High Schools, ministers etc. In my professions I have great opportunities to meet many people; have traveled extensively in all the States and make friends easily.

If you have an agent, in the Stuebenville area; I'd like to meet with him; and it could be either at Church where I play, or where I work. I am really in Earnest; please let me hear from you, at your earliest convenience.

In His Name
Sincerely

Mrs. Robert J. Davidson; Th.B.
